

CRF Report for Study 04_C_0121

Report generated by PATRICK CONRAD on 07-JUN-2013 13:59:40

Report on Selected Data

Filter: CRFs: D1077702,D1077802

Notes:

1. All reported data is current as of the time shown above under 'Report Generated'.
2. All timestamps reflect the timezone of the database server in which the data was collected.
3. Superscripts appear next to fields with any of the following additional information:
 - Overflow
 - An Investigator Comment
 - Audit History if Include Audit History option was chosen
 - Discrepancies if Include Discrepancy Details option was chosen
